FBC NEWS

MARCH 2011 MARLIN, TEXAS VOLUME 1 NUMBER 7

I wanted to take this moment to let you know there is an amazing group of young men and women in our church who have reached out to our youth to mentor them. The below passage is from the study book they are using:

GOD IS LOVE. crazy, relentless all powerful love.

Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts — it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same.

I thank God we have men and women in our church who care deeply about the next generation. The time they devote to our youth will make a positive difference in their lives, not only today, but for the rest of their lives.
